 CERTAIN INFORMATION.

Mr. Satterwhite offered the following resolution:

H. C. R. No. 11, Requesting certain information in regard to prison system.

Whereas, The prison system of Texas consists of assets now more or less in doubt as to their true appraised value, and a number of items are being carried as assets which have no marketable value; therefore, be it

Resolved, by the House of Representatives, the Senate concurring, That the Chairman of the Prison Commission be requested and is hereby authorized to furnish the Legislature immediately a complete statement showing the present actual value of all properties of the prison system; also showing and designating the items now carried as assets in the prison system that have no marketable value; and be it

Resolved, That the Chief Clerk of the House of Representatives be instructed to immediately furnish the Chairman of the Prison Board of Texas a copy of this resolution with the request that he immediately take action thereupon.

The resolution was read second time and was adopted.

PROVIDING FOR ACCEPTANCE OF
 PURNELL FUND.

Mr. Barron offered the following resolution:

H. C. R. No. 13, Providing for the acceptance of the Purnell Fund.

Whereas, The National Government has provided an appropriation, known as the Purnell Fund, for the use of the Agricultural Experiment Station of the Agricultural and Mechanical College of Texas, the assent of the Governor having been duly obtained in accordance with the provisions of the act, pending the convening of the next regular session of the Legislature following the passing of the act; therefore, be it

Resolved by the House of Representatives of the Fortieth Legislature, the Senate concurring, That the Board of Directors of the Agricultural and Mechanical College of Texas are hereby authorized to accept from the National Government the appropriation known as the Purnell Fund, for the Agricultural Experiment Station of the Agricultural and Mechanical College of Texas.

The resolution was read second time and was adopted.

IN REGARD TO CERTAIN FARM
 LEGISLATION.

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 3, Relating to certain farm legislation.

Whereas, A surplus of farm crops has for many years caused the market on these crops to fluctuate in such a manner as to materially interfere with the living conditions of our agricultural classes; and

Whereas, These surpluses have never proven to be surpluses over a term of years; and

Whereas, It is felt by all farm organizations in the United States after having given mature thought to this question, that farm legislation is necessary in order that the farmers might thus control these surpluses and spread them out over a term of years and thereby prevent these wide fluctuations; and

Whereas, A bill is now pending in Congress, Senate Bill No. 4808, known as the McNary-Haugen Bill; and

Whereas, We believe that the passage of this legislation will materially benefit our agricultural classes at this time, and in the future; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring therein, That we do hereby memorialize Congress to pass this legislation without material change, at as early a date as is possible.

Signed—Real, Greer, Ward, Miller, Bowers, Berkley, Stewart, Love, Fairchild, Westbrook, Floyd, Triplett, Smith, McFarlane, Hall, Reid.

The resolution was read second time.

Mr. Loftin raised a point of order on further consideration of the resolution at this time, on the ground that the time for the consideration of resolutions has expired.

The Speaker sustained the point of order.

REPORT OF THE COMMITTEE TO INSTALL AMPLIFIERS.

The Speaker laid before the House, for consideration at this time, the following report of the committee to install amplifiers for the House:

Whereas, A committee of five was authorized by the House of Representatives to investigate the advisability of the installation of a loud speaker; and

Whereas, This committee, upon investigation, has found that a loud speaker can be provided for at the cost of \$650; now, therefore, be it

Resolved, That the Speaker of the House of Representatives, together with the committee already named, be authorized to purchase and install said loud

speaker, and the cost of same shall be paid out of the contingent expense fund of the House.
